APPLICANT INSTRUCTIONS

1) Submit Hydrant Flow Request

- In person at the Nampa Fire Administration Office or
- By Email: prevention@nampafire.org (**Subject:** Hydrant Flow Request)

2) Nampa Fire Prevention Bureau will review request

- Please note that if we do not have current flow information (i.e., the last 6 months) on the hydrant, we will need to request a current flow and modeling on the hydrant. This may cause a delay in the process. Please allow 2 week for processing.

3) Once complete the applicant will receive (by email) an engineered flow data form.
